

Profitable losses

Gladiator

Mass violent raid.
rotted layed out brains
with stuned limbs
reign in the burning land
oppressed prey.

Thousands of burned bodies
fex losses of such a awful bargain
war-way to death
we can't guess the consequences
(no away)

Oppressed prey
death of lives
war remains
profitable losses

No regard for life
ignorence of death
hypocrisy of feeling
profit temptation

With cruelty comes hate too
conscience eating away at him
during a lifetime

A man's worth only dust
everything for earnings
some deaths do not matter
they're means of profit.

Prophylactic hand
with trickles of blood
with colour of suffering
stiffening of possess
