

Do You Really Want To Know

Gladys Knight

When we talk it's right
When we kiss you know that it's tight
We're so close but still, we keep missing that something that's
real
It's the thought of you loving me that makes me feel high
But I need you to make love to my mind
Just say your gonna be all that I need
Boy you know that's a lot to be,
Do you really want to talk about what I'm feeling
Do you really wanna know about me
Or do you want me to say that everything is A ok
When its not what it should be
Cuz if you really want to know who I am inside take it to a dee
per place and show the world your mine,
Do you really want to know what makes me fall in love
If it's real then stay, If it's not then go on your way, If you
need more time, it's ok It's got to be right,
It's the thought of you loving me that makes me feel high
But I need you to make love to my mind
Just say that your gonna be all that I need
Then you better get to know about me
Do Ya Do you really want to talk about what I'm feeling (Do you
really know) Do you really want to know about me Oh yeah, and
do you really want me to say that everything is A ok when it's
not what it should be
Cuz if you really want to know who I am inside just take it to
a deeper place and show the world your mine
Do you really want to know what makes me fall in love
Do you really want to know what makes my tears fall umm
How to make me laugh when I am sad and what I dream about
There's so many things about me that nobody else will ever see
But if you really want to know, (if you really want to know) wh
at makes me fall in love
Do you really want to talk about what I'm feeling do you really
want to know about me uh huh
And do you want me to say that everything is A ok
Yeah it's not all it should be (do you really want to know) cuz
if you really want to know who I am inside take it to a deeper
place and show the world your mine
Do you really want to know what makes me fall in love, Uh Huh
Do you really want to know what makes me fall in love
