

(I Know) I'm Losing You

Gladys Knight

Your love is fading, I can feel your love fading
Oh, it's fading away from me, yeah
'Cause your touch, your touch has grown cold
As if someone else controls your very soul
I've fooled myself long as I can
I can feel the presence of another woman

It's there when you speak my name
It's just not the same
Oh baby, I'm losing you
It's in the air
It's everywhere
Oh baby, baby, I'm losing you

When I look into your eyes
A reflection of a face I see
I'm hurt, downhearted and worried, boy
'Cause that face doesn't belong to me

Oh, it's all over your face
Someone's taken my place
Oh, I'm losing you
You try hard to hide
That emptiness inside
I can tell, I can tell, I can tell I'm losing you

Oh, oh, oh, I don't wanna lose you

Ooh, I can tell when we kiss
From the tenderness I miss
Ooh, baby, baby, I'm losing you
I can feel it in my bones
Any day you'll be gone
Oh-oh baby, I'm losing you
Oh my dear
What happened to the love we shared?
Oh baby, baby, I'm losing you
I know it's true
There's someone new
