## If I Were Your Woman

## **Gladys Knight**

If I were your woman And you were my man You'd have no other woman You'd be weak as a lamb If you had the strength To walk out that door My love would over rule my sense And I'd call you back for more If I were your woman If you were my woman If I were your woman If you were my woman And you were my man Yeah She tears you down Darling Says you're nothing at all But I'll pick you up Darling When she let's you fall You're like a diamond But she treats you like glass Yet you beg her to love you But me you don't ask If I were your woman If you were my woman If I were your woman If you were my woman If I were your woman If you were my woman Here's what I'd do I'd never no, no, no stop loving you Yeah Life is so crazy And love is unkind Because she came first darling Will she hang on your mind You're a part of me And you don't even know it I'm what you need But I'm too afraid to show it If I were your woman If you were my woman If I were your woman If you were my woman If I were your woman If you were my woman Here's what I'd do I'd never, no, no, no stop loving you If I were your woman Here's what I'd do

I'd never, never, never stop loving you If I were your woman You're sweet lovin' woman If I were your woman If you were my woman If I were your woman If you were my woman If I were your woman If you were my woman...
