Letter Full Of Tears

Gladys Knight & The Pips

Mmmmm

Here comes the mailman walking up the street

and it looks like he has a letter today for me

Wait a minute let me look inside no it couldn't be from my guy
because he he brought me, (yes he did)

I said he he brought me, (yes he did)

A letter full of tears

I thought we had a love so strong (we had a love)

it would take a lifetime to break us apart

oh yes

but I found out today I was wrong

and my reward was a broken heart my my heart

oh here comes the teardrops welcome a welcome to my eyes

and I couldn't hold 'em back no matter if I tried

wo wo oh

You know it hurt me so inside

won't you pardon me while I cry

because he brought me (yes he did)

I said he brought me (yes he did) a letter full of tears

(here comes the mailman) Those aren't drip drop tears (bringin
g me tears)

Can't you see them falling (here comes the mailman bringing me
tears) wo

wo oh wo wo oh wo wo oh oh oh (hey, yes he did, hey hey , yes
he did, hey

hey hey woo

yes he did)

I thought (hey hey hey woo yes he did)

we had a love so strong

(hey hey hey woo, yes he did)
