f and Michael Kamen

Lyrics by Leslie Bricusse and Anthony Newley

Ooooh  
Oh-hooo  
I feel, I've got to hold on to your love  
Oooh.

Hey baby, thought you were the one who tried to run away.  
Ohh, baby, wasn't I the one who made you want to you?  
Please don't bet that you'll ever escape me  
Once I get my sights on you.

Got a license to kill (to kill)  
And you know I'm going straight for your heart.  
(Got a license to kill)  
Got a license to kill (to kill)  
Anyone who tries to tear us apart.  
(Got a license to kill)  
License to kill.

Hey baby, think you need a friend to stand here by your side?  
Yes you do (your side)  
Ohh, baby, now you can depend on me to make things right (things right)  
Please don't bet that you'll ever escape me  
Once I get my sights on you

Got a license to kill (to kill)  
And you know I'm going straight for your heart.  
(Got a license to kill)  
Got a license to kill (to kill)  
Anyone who tries to tear us apart.  
(Got a license to kill)

Say that somebody tries to make a move on you  
In the blink of an eye, I will be there too  
And they better know why I'm gonna make them 'em pay  
Till their dying day  
Till their dying day  
Till their dying day

Got a license to kill (to kill)  
And you know I'm going straight for your heart, baby.  
(Got a license to kill)  
Got a license to kill  
Anyone who tries to tear us apart.  
(Got a license to kill)

Got a license to kill (to kill)  
And you know I'm heading straight for your heart.  
(Got a license to kill)  
Got a license to kill  
Anyone who tries to tear us apart.  
(Got a license to kill)  
License to kill

Gotta hold onto your loving.  
License to kill  
Oohooo!  
Kill.
