

So Sad The Song

Gladys Knight

I know that we both talked it over
And said it's best to forget
We'll leave all our memories behind us
It's better ending it

So sad the song of two empty lives
When that moment of truth suddenly arrives
And so sad the song of what might have been
You see a lifetime of dreams scattered in the wind

Together, we belong together
And never was that one lovely word
Easier to say

And so sad the song of just remembering when
Knowing that the love-light will never come again
So sad the song that says goodbye

Together, we belong together
And I'll love you forever
On that you can rely

So would it be wrong
To give our love just one more try
So sad the song that says goodbye
That says goodbye
