

Here, Behind These Walls

Glamour of the Kill

Yeah I got my problems
But I know this place won't solve them
I gotta keep, keep hiding away
To show they'll never break me
Here behind these walls
My time is running out
The demons I must face
They fill my head with doubt
I won't see (beyond this tainted glass)
I can't leave (my life is fading fast)

(The fear in me)
I'll never show
You know I'm never giving up, giving up
(The fear in me)
I'll never show
This life is not for me

If heaven takes me back
I'll be here 'til the end of time, forever
If heaven takes me back
I'll be here 'til the end of time, forever

Yeah I know they're watching
And I know what they are thinking
I gotta leave before it's too late
So you know they'll never find me

I cross my heart, and hope to die
I pray for forgiveness, and swallow my pride

(The fear in me)
I'll never show
You know I'm never giving up, giving up
(The fear in me)
I'll never show
This life is not for me

If heaven takes me back
I'll be here 'til the end of time, forever
If heaven takes me back
I'll be here 'til the end of time, forever

SHOW TIME!

If heaven takes me back
I'll be here 'til the end of time, forever
If heaven takes me back
I'll be here 'til the end of time, forever

If heaven takes me back
I'll be there 'til the end of time, forever
If heaven takes me back
I'll be there 'til the end of time, forever

If heaven takes me back
I'll be there 'til the end of time, forever

If heaven takes me back
I'll be there 'til the end of time, forever
