Glasseater

i'm telling this right now, i'm not giving up
i've placed it all on the line
we're here to stay; we're here to shine.
things are a bit different, but it's still the same
thing.
our future isn't ending, give it a chance and you will
see.
we've regrouped to continue on
it might take some getting used to, but in the end, it'll
work out
we're not in this for them, we're doing this for me and
you.
