Glassjaw

Many ways  
Many days  
Many faces down the line  
When people whisper it makes her nervous

Its you from the airport  
Addressing most littlest  
In several days I just might prove worth it

So after all, after all  
They let you decide  
After all, after all  
They let you decide

Anyways  
Anyway  
Walk the wire, wonder why  
When people whisper it makes her nervous

And its you from the airport  
Addressing most littlest  
Several days too late to unearth it

We are the most impassioned ugly people  
Ugly people  
Ugly people, say
