

# When One Eight Becomes Two Zeros

Glassjaw

I'm glad when you're near  
And I'm sad when you're here  
That is what it's like to be me  
I'm glad when you're here  
And I'm sad when you're near  
This is what it's like to die alone

This all hurts me so much  
That I honestly believe  
You're the one this is hard for  
I'm bartered tact for wit  
And I've already made up  
A billion stories about you

Knee deep in static  
I hear you breaking up  
We're breaking up  
I guess we're breaking up  
You're not the other woman  
You're just another woman  
Another hobby for a guy like me

I'm glad when you're here  
And I'm sad when you're near  
That is what it's like to be me

You're given me a heart like a gun  
And I'm so shocked that I've made it  
Through these billion days  
I made it through these billion days  
I didn't think I could tough it out  
All those days a billion  
I didn't think I could tough it out a billion

Knee deep in static  
I hear you breaking up  
We're breaking up  
I guess we're breaking up  
You're not the other woman  
You're just another woman  
Another hobby for a guy like me

So we're growing, I'm sure  
There's no other I can turn to  
There's no other I can turn to  
If not you, then  
Who else should I believe?

Knee deep in static  
I hear you breaking up  
We're breaking up  
I guess we're breaking up  
You're not the other woman  
You're just another woman  
Another hobby for a guy like me

I'm glad when you're near

But I'm sad that you're here  
That is what it's like to be me  
Glad when you're near  
But I'm sad that you're here  
That is what it's like to be me

Glad when you're near  
And I'm sad that you're here  
This is what it's like to be me  
Glad that you're near  
Sad that you're here

I hope you enjoy dying alone
