

Euphoria, Take My Hand

Glasvegas

Heartbreak,
I'm not holding your hand anymore
Why can't you understand
Euphoria
Take my hand
Euphoria

Your ways, my ways
Never, always
The future, the past,
The first, the last

Heartbreak,
I'm not holding your hand anymore
Why can't you understand
Euphoria
Take my hand
Euphoria

Right time, wrong time,
myself I'm alien
I swear to God
Lies and bad thoughts
1, 2, 3, 4, let go

Heartbreak,
I'm not holding your hand anymore
Why can't you understand
Euphoria
Take my hand
Euphoria

I wish upon
a falling star
I feel never felt
I hit, you hit me
sunshine a liking
to our evil evening

Heartbreak,
I'm not holding your hand anymore
Why can't you understand
Euphoria
Take my hand
Euphoria
