

America

Glee Cast

Puerto Rico
My heart's devotion
Let it sink back in the ocean
Always the hurricanes blowing
Always the population growing
And the money owing
And the sunlight streaming
And the natives steaming
I like the island Manhattan
Smoke on your pipe
And put that in!

I like to be in America
Okay by me in America
Everything free in America

For a small fee in America

Buying on credit is so nice

One look at us and they charge twice

I have my own washing machine

What will you have to keep clean?

Skyscrapers bloom in America

Cadillacs zoom in America

Industry boom in America

Twelve in a room in America

Lots of new housing with more space

Lots of doors slamming in our face

I'll get a terrace apartment

Better get rid of your accent

Life can be bright in America

If you can fight in America

Life is all right in America

If you're a white in America
Lalalala America, America

Here you are free and you have pride

Long as you stay on your own side

Free to be anything you choose

Free to wait tables and shine shoes

I like to be in America
Okay by me in America
Everything free in America

For a small fee in America

I like to be in America
Okay by me in America
Everything free in America

For a small fee in America

Lalalala America! [x4]
