

# Baby, It's Cold Outside

Glee Cast

I really can't stay  
But, baby, it's cold outside  
I've got to go away  
But, baby, it's cold outside  
This evening has been  
Been hoping that you'd drop in  
So very nice  
I'll hold your hands, they're just like ice  
My mother will start to worry  
Beautiful, what's your hurry?  
My father will be pacing the floor  
Listen to the fire place roar  
So really I'd better scurry  
Beautiful, please don't hurry  
But maybe just half a drink more  
Put some records on while I pour

The neighbors might think  
Baby, it's bad out there  
Say what's in this drink?  
No cabs to be had out there  
I wish I knew how  
Your eyes are like starlight now  
To break the spell  
I'll take your hat, your hair looks swell  
I ought to say no no no, sir  
Mind if I move in closer?  
At least I'm gonna say that I tried  
What's the sense in hurting my pride?  
I really can't stay  
Baby, don't hold out  
Oh, but it's cold outside

I simply must go  
But, baby, it's cold outside  
The answer is "No"  
But, baby, it's cold outside  
This welcome has been  
How lucky that you dropped in  
So nice and warm  
Look out the window at that storm  
My sister will be suspicious  
Gosh your lips look delicious  
My brother will be there at the door  
Waves upon a tropical shore  
My maiden aunt's mind is vicious  
Ooh your lips are delicious  
But maybe just a cigarette more  
Never such a blizzard before

I've got to get home  
But, baby, you'll freeze out there  
Say, lend me a coat?  
It's up to your knees out there  
You've really been grand  
I thrill when you touch my hand  
But don't you see

How can you do this thing to me?  
There's bound to be talk tomorrow  
Think of my life-long sorrow  
At least there will be plenty implied  
If you got pneumonia and died  
I really can't stay  
Get over that hold out

Oh, (baby) but it's cold outside
