Baby One More Time

Oh baby, baby How was I supposed to know That somethin' wasn't right?

Oh baby, baby I shouldn't have let you go And now you're outta sight

Show me how you want it to be Tell me baby 'cause I need to know now Oh because

My loneliness is killin' me I must confess I still believe When I'm not with you I lose my mind Give me a sign, hit me baby one more time

Oh baby, baby The reason I breathe is you Now, boy you got me blinded

I bet you baby There's nothing that I would not do, no It's not the way I planned it

Show me how you want it to be Tell me baby 'cause I need to know now Oh because

My loneliness is killin' me I must confess I still believe When I'm not with you I lose my mind Give me a sign, hit me baby one more time

Oh baby baby, oh baby baby Oh baby, baby How was I supposed to know Oh baby, baby I shouldn't have let you go

I must confess that my loneliness is killing me now Don't you know I still believe? That you will be here and give me a sign Hit me baby one more time

My loneliness is killin' me I must confess I still believe When I'm not with you I lose my mind Give me a sign, hit me baby one more time

I must confess that my loneliness is killing me now Don't you know I still believe? That you will be here and give me a sign Hit me baby one more time
