

Can't Fight This Feeling

Glee Cast

I cant fight this feeling any longer
And yet Im still afraid to let it flow
What started out as friendship, has grown stronger
I only wish I had the strength to let it show

And even as I wander
Im keeping you in sight
Youre a candle in the window
On a cold, dark winters night
And Im getting closer than I ever thought I might

And I cant fight this feeling anymore
Ive forgotten what I started fighting for
Its time to bring this ship into the shore
And throw away the oars
Baby, I cant fight this feeling anymore

My life has been such a whirlwind since I saw you
Ive been running round in circles in my mind
And it always seems that Im following you, girl
Cause you take me to the places that alone Id never find

And even as I wander Im keeping you in sight
Youre a candle in the window on a cold, dark winters night
And Im getting closer than I ever thought I might

And I cant fight this feeling anymore
Ive forgotten what I started fighting for
Its time to bring this ship into the shore
And throw away the oars, forever

Cause I cant fight this feeling anymore
Ive forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby, I cant fight this feeling anymore.
