

## Can't Fight This Feeling

Glee Cast

I cant fight this feeling any longer  
And yet Im still afraid to let it flow  
What started out as friendship, has grown stronger  
I only wish I had the strength to let it show

And even as I wander  
Im keeping you in sight  
Youre a candle in the window  
On a cold, dark winters night  
And Im getting closer than I ever thought I might

And I cant fight this feeling anymore  
Ive forgotten what I started fighting for  
Its time to bring this ship into the shore  
And throw away the oars  
Baby, I cant fight this feeling anymore

My life has been such a whirlwind since I saw you  
Ive been running round in circles in my mind  
And it always seems that Im following you, girl  
Cause you take me to the places that alone Id never find

And even as I wander Im keeping you in sight  
Youre a candle in the window on a cold, dark winters night  
And Im getting closer than I ever thought I might

And I cant fight this feeling anymore  
Ive forgotten what I started fighting for  
Its time to bring this ship into the shore  
And throw away the oars, forever

Cause I cant fight this feeling anymore  
Ive forgotten what I started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door  
Baby, I cant fight this feeling anymore.
