Oh make me over
I'm all I wanna be
A walking study
In Demonology

Hey, so glad you could make it Yeah, now you've really made it Hey, so glad you can make it now

Oh look at my face
My name is might have been

My name is never was

My name's forgotten

Hey, so glad you could make it Yeah, now you've really made it Hey, there's only us left now

When I wake up in my makeup It's too early for that dress

Wilted and faded somewhere in Hollywood I'm glad I came here with your pound of flesh

No second billing cause you're a star now Oh Cinderella, they aren't sluts like you

Beautiful garbage, beautiful dresses Can you stand up or will you just fall down?

You better watch out Oh what you wish for It better be worth it So much to die for

Hey, so glad you could make it Yeah, now you've really made it Hey, there's only us left now

When I wake up (in my makeup)
Have you ever felt (so used up as this?)

It's all so sugarless
(Hooker, waitress)
Model, actress
(Oh just go nameless)

Honeysuckle
She's full of poison
She obliterated everything she kissed

Now she's fading somewhere in Hollywood I'm glad I came here with your pound of flesh

You want a part of me

Well I'm not selling cheap No, I'm not selling cheap
