

# Don't Sleep in the Subway

Glee Cast

You wander around  
On your own little cloud  
When you don't see the why  
Or the wherefore

Ooh, you walk out on me  
When we both disagree  
'Cause to reason is not what you care for  
I've heard it all a million times before

Take off your coat, my love, and close the door

Don't sleep in the subway, darlin'  
Don't stand in the pouring rain  
Don't sleep in the subway, darlin'  
The night is long  
Forget your foolish pride  
Nothing's wrong  
Now you're beside me again

You try to be smart  
Then you take it too hard  
'Cause it hurts when your ego is deflated

Ooh, ooh, ooh  
You don't realize  
That it's all compromise  
And the problems are so over-rated

Good-bye means nothing when it's all for show

So why pretend you've somewhere else to go?

Don't sleep in the subway, darlin'  
Don't stand in the pouring rain  
Don't sleep in the subway, darlin'  
The night is long  
Forget your foolish pride  
Nothing's wrong

Now you're beside me again  
Oh, oh, oh

(Don't sleep in the subway,) darlin'

Don't stand in the pouring rain  
Don't sleep in the subway, darlin'  
The night is long  
Forget your foolish pride  
Nothing's wrong  
Now you're beside me again

Oh, oh, oh, oh

Don't sleep in the subway, darlin'  
The night is long  
Forget your foolish pride

Nothing's wrong  
Now you're beside me again
