She's just a girl, and she's on fire Hotter than a fantasy, lonely like a highway She's living in a world, and it's on fire Feeling the catastrophe, but she knows she can fly away

Oh, she got both feet on the ground And she's burning it down Oh, she got her head in the clouds And she's not backing down

This girl is on fire This girl is on fire She's walking on fire This girl is on fire

Looks like a girl, but she's a flame
So bright, she can burn your eyes
Better look the other way
You can try but you'll never forget her name
She's on top of the world
Hottest of the hottest girls say

Oh, we got our feet on the ground And we're burning it down Oh, got our head in the clouds And we're not coming down

This girl is on fire (Fire, fire)
This girl is on fire
She's walking on fire (Fire, fire)
This girl is on fire

Everybody stands, as she goes by
Cause they can see the flame that's in her eyes
Watch her when she's lighting up the night
Nobody knows that she's a lonely girl
And it's a lonely world
But she gon' let it burn, baby, burn, baby

This girl is on fire (Fire, fire)
This girl is on fire
She's walking on fire (Fire, fire)
This girl is on fire

Oh, oh, oh She's just a girl, and she's on fire
