

Got to Get You into My Life

Glee Cast

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
Could see another kind of mind there

Ooo, then I suddenly see you
Ooo, did I tell you I need you?
Every single day of my life

You didn't run, you didn't lie
You know I wanted just to hold you
And had you gone, you knew in time
We'd meet again for I had told you

(Uh!) You were meant to be near me
(Uh!) And I want you to hear me

Say we'll be together every day
Got to get you into my life

What can I do, what can I be?
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there

Uh! Then I suddenly see you
Uh! Did I tell you I need you?

Every single day of my life
Got to get you into my life

Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there

Another road where maybe I
Could see another kind of mind there

And suddenly I see you

Did I tell you I need you?
Oh!

I got to get you into my life
