

Hanukkah, Oh Hanukkah

Glee Cast

Oh Hanukkah, Oh, Hanukkah
Come light the menorah
Come to our party
We'll all dance the hora
Gather 'round the table
We'll give you a treat, dreidels to play with and latkes to eat
And while we are playing
The candles are burning low
One for each night, they shed a sweet light
To remind us of days long ago
One for each night, they shed a sweet light
To remind us of days long ago.
