Hanukkah, Oh Hanukkah

Glee Cast

Oh Hanukkah, Oh, Hanukkah

Come light the menorah

Come to our party

We'll all dance the hora

Gather 'round the table

We'll give you a treat, dreidels to play with and latkes to eat

And while we are playing

The candles are burning low

One for each night, they she'd a sweet light

To remind us of days long ago

One for each night, they she'd a sweet light

To remind us of days long ago.
