Hey, Soul Sister

Hey, hey, hey Your lipstick stains On the front lobe of my Left-side brains I knew I wouldn't forget you And so I went and let you Blow my mind Your sweet moonbeam The smell of you in every Single dream I dream I knew when we collided You're the one I have decided Who's one of my kind Hey soul sister Ain't that mister mister On the radio, stereo The way you move ain't fair, you know Hey soul sister I don't wanna miss A single thing you do Tonight Hey, hey, hey Just in time I'm so glad you have A one track mind like me You gave my life direction A game show love connection We can't deny I'm so obsessed My heart is bound to beat Right out my untrimmed chest I believe in you Like a virgin, you're Madonna And I'm always gonna wanna blow your mind Hey soul sister Ain't that mister mister On the radio, stereo The way you move ain't fair, you know Hey soul sister I don't wanna miss A single thing you do Tonight The way you can cut a rug Watching you is the only drug I need So gangster, I'm so thug

You see, I can be myself now finally In fact there's nothing I can't be

You're the only one I'm dreaming of
