

## Le Jazz Hot

Glee Cast

'Bout twenty years ago  
Way down in New Orleans  
A group of fellers found  
A new kind of music  
And they decided to call it...JAZZ  
No other sound has  
What this music has

Before they knew it  
It was whizzing round the world  
The world was ready  
For a blue kind of music  
And now they play it  
From Steamboat Springs to La Paz

Oh baby, won't you play me  
Le Jazz Hot maybe  
And don't ever let it end  
I tell you, friend  
It's really something to hear  
I can't sit still  
When there's that rhythm near me

Oh, so baby  
Le Jazz Hot may be  
What's holding my soul together  
Don't know whether it's morning or night  
Only know it's sounding right  
So come on in and play me Le Jazz Hot  
Baby, cause I love my jazz... Hot

Before they knew it  
It was whizzing round the world  
The world was ready  
For a blue kind of music  
And now they play it  
From Steamboat Springs to La Paz

When you play me

You're holding my soul together
