

Loser Like Me

Glee Cast

Yeah, you may think that I'm a zero
But, hey, everyone you wanna be
Probably started off like me
You may say that I'm a freakshow (I don't care)
But, hey, give me just a little time
I bet you're gonna change your mind

All of the dirt you've been throwin' my way
It ain't so hard to take, that's right
'Cause I know one day you'll be screamin' my name
And I'll just look away, that's right

Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the worst you got and knock me down
Baby, I don't care
Keep it up and soon enough you'll figure out
You wanna be
You wanna be
A loser like me
A loser like me

Push me up against the locker
And hey, all I do is shake it off
I'll get you back when I'm your boss
I'm not thinkin' 'bout you haters
'Cause hey, I could be a superstar
I'll see you when you wash my car

All of the dirt you've been throwin' my way
It ain't so hard to take, that's right
'Cause I know one day you'll be screamin' my name
And I'll just look away, that's right

Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the worst you got and knock me down
Baby, I don't care
Keep it up and soon enough you'll figure out
You wanna be
You wanna be
A loser like me
A loser like me
A loser like me

Hey, you, over there
Keep the L up-up in the air
Hey, you, over there
Keep the L up, 'cause I don't care
You can throw your sticks, and you can throw your stones
Like a rocket, just watch me go
Yeah, l-o-s-e-r
I can only be who I are

Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the worst you got and knock me down

Baby, I don't care
Keep it up and soon enough you'll figure out
You wanna be
You wanna be
A loser like me
A loser like me

Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the worst you got and knock me down
Baby, I don't care
Keep it up and soon enough you'll figure out
You wanna be
You wanna be
A loser like me (A loser like me)
A loser like me (A loser like me)
A loser like me
