```
Don't call her up anymore
'Cause I don't wanna hear your voice
I don't wanna see your face
Answer her door
Make no mistake
She's mine, she's mine, she's mine
She only knows how I feel
I only know what she's like
When she needs me
Oh, how she needs me
Deep in the night, make no mistake
She's mine, she's mine, she's mine
Don't get too close when you dance
'Cause I don't wanna hear from my friends
You were out on the town
There in her arms (There in her arms)
There in her arms (There in her arms)
Don't include her in your dreams
I wanna be in her dreams
'Cause I don't wanna close my eyes
Close my eyes
I don't wanna know where she goes
Each night when she leaves (When she leaves)
Make no mistake
She's mine,
She's mine,
She's mine
She's mine
Don't call her up anymore
```

Don't call her up anymore
