## **Never Say Never**

Somethings we don't talk about it Rather do without it Just hold the smile Falling in and out of love Ashamed and proud of Together all the while You can never say never While we don't know when But time and time again Younger now than we were before Don't let me go Picture, you're the queen of everything As far as the eye can see Under your command I will be your guardian When all is crumbling Steady your hand You can never say never While we don't know when Time, time, time again Younger now than we were before Don't let me go We're pulling apart And coming together again and again We're growing apart But we pull it together Pull it together, together again Ooooh Don't let me go Don't let me go
