No Air

If I should die before I wake It's 'cause you took my breath away Losing you is like living in a world with no air Oh

I'm here alone, didn't wanna leave My heart won't move, it's incomplete Wish there was a way that I can make you understand

But how do you expect me to live alone with just me 'Cause my world revolves around you It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air Can't live, can't breathe with no air It's how I feel whenever you ain't there It's no air, no air Got me out here in the water so deep Tell me how you gonna be without me If you ain't here, I just can't breathe It's no air, no air

No air, air - No No air, air - No No air, air - No No air, air

I walked, I ran, I jumped, I flew Right off the ground to float to you There's no gravity to hold me down for real

But somehow I'm still alive inside You took my breath, but I survived I don't know how, but I don't even care

So how do you expect me to live alone with just me 'Cause my world revolves around you It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air - (Uh - oh) Can't live, can't breathe with no air - (No - No) It's how I feel whenever you ain't there It's no air, no air Got me out here in the water so deep - (So Deep) Tell me how you gonna be without me - (Without Me) If you ain't here, I just can't breathe (Breathe - No - No- aha) It's no air, no air (No - No)

No air, air No air, air No air, air No air, air No more It's no air, no air
