Glee Cast

We travel single-oh  
Maybe we're lucky, but I don't know  
With them, just let one kid fall down  
And seven mothers faint  
I guess we're both happy, but maybe  
We ain't

People  
People who need people  
Are the luckiest people in the world

We're children, needing other children  
And yet letting our grown up pride

Hide all the need inside  
Acting more like children  
Than children

Lovers are very special people  
They're the luckiest people  
In the world

With one person  
One very special person  
A feeling deep in your soul  
Says you were half, now you're whole

No more hunger and thirst  
But first be a person  
Who needs people

People who need people  
Are the luckiest people  
In the world
