

## Problem

Glee Cast

Hahaha, uh-huh  
It's Iggy Iggs  
I got one more problem with you girl

I got one less, one less problem (Ehh)

Hey, baby, even though I hate ya  
I wanna love ya

I want you

And even though I can't forgive ya  
I really wanna

I want you

Tell me, tell me baby  
Why can't you leave me?  
Cause even though I shouldn't want it  
I gotta have it

I want you

Head in the clouds, got no weight on my shoulders  
I should be wiser and realize that I've got

One less problem without you  
I got one less problem without you  
I got one less problem without you

I got one less, one less problem

One less problem without you  
I got one less problem without you  
I got one less problem without you

I got one less, one less problem

I know you're never gonna wake up  
I gotta give up

But it's you

I know I shouldn't ever call back  
Or let you come back

But I do

Every time you touch me  
And say you love me

I get a little bit breathless

I shouldn't want it

But I do

Head in the clouds, got no weight on my shoulders  
I should be wiser and realize that I've got

One less problem without you  
I got one less problem without you  
I got one less problem without you

I got one less, one less problem

One less problem without you  
I got one less problem without you (Ooh, babe)  
I got one less problem without you (Ooh, babe)

I got one less, one less problem

It's Iggy Iggs  
Uh, what you got?

(Smart money bettin' I'll be better off without you)  
In no time I'll be forgettin' all about you  
You saying that you know but I (really, really doubt you)  
Understand my life (is easy when I ain't around you)

Iggy, Iggy to biggie to be here stressin'  
I'm thinkin' I love the thought of you (more than I love your presence)  
And the best thing now is probably for you to exit  
(I let you go, let you back), I finally learned my lesson

(No half-stepping, either you want it or you just playin')  
I'm listening to you knowin' (I can't believe what you're sayin')  
There's a million you's, baby boo, (so don't be dumb)  
(I got 99 problems but you won't be one)  
(Like what)

Ooh (One less, one less problem)  
Ooh (One less, one less problem)  
Head in the clouds  
Got no weight on my shoulders (One less, one less problem)

I should be wiser and realize that I've got

One less problem without you (Hey)  
I got one less problem without you (Oh, babe)  
I got one less problem without you (Hoo!)

I got one less, one less problem (Hooh, baby)

One less problem without you (Yeah, yeah)  
I got one less problem without you (Hooh, hey)  
I got one less problem without you

I got one less, one less problem (Oooh)

One less problem without you (Hey)  
I got one less problem (without you, uh) (I got one less, one less, yeah)  
I got one less problem without you

I got one less, one less (problem, yeah)
