

# Raise Your Glass

Glee Cast

Right right, turn off the lights  
We gonna lose our minds tonight  
What's the dealio?  
I love when it's all too much  
5 AM turn the radio up  
Where's the rock and roll?

Party crasher, panty snatcha'  
Call me up if you are gangsta'  
Don't be fancy, just get dancey  
Why so serious?

So raise your glass if you are wrong  
In all the right ways  
All my underdogs, we will never be, never be  
Anything but loud  
And nitty gritty dirty little freaks  
Won't you come on, and come on, and  
Raise your glass  
Just come on and come and  
Raise Your Glass!

Slam slam oh hot damn  
What part of party don't you understand?  
Wish you'd just freak out  
Can't stop coming in hot  
I should be locked up right on the spot  
It's so on right now

Party crasher, panty snatcha'  
Call me up if you a gangsta'  
Don't be fancy, just get dancey  
Why so serious?

Blaine with the Warblers:  
So raise your glass if you are wrong In all the right ways  
All my underdogs, we will never be, never be  
Anything but loud  
And nitty gritty dirty little freaks

Won't you come on, and come on, and  
Raise your glass  
Just come on and come and  
Raise Your Glass!  
Just come on and come on and  
Raise your glass!  
Just come on and come and  
Raise your glass!

My glass is empty...that sucks!

So if you're too school for cool  
And you're treated like a fool (treated like a fool)  
You could choose to let it go  
We can always, we can always  
Party on our own...

So raise your  
So raise your glass if you are wrong  
In all the right ways  
All my underdogs, we will never be, never be  
Anything but loud  
And nitty gritty dirty little freaks  
So raise your glass if you are wrong In all the right ways  
All my underdogs, we will never be never be!  
Anything but loud  
And nitty gritty dirty little freaks  
Won't you come on! and come on! and  
Raise your glass  
Just come on and come and  
Raise your glass  
Won't you come on! and come on! and  
Raise your glass  
For me  
Just come on and come and  
Raise your glass  
...for me
