

# Smile

Glee Cast

When you first left me,  
I was wanting more,  
You were kissing that girl next door  
What you do that for? (what you do that for?)

When you first left me,  
I didnt know what to say,  
I never been on my own that way,  
Just sat by myself all day

I was so lost back then,  
But with a little help from my friends,  
I found a light in the tunnel at the end

Now you're calling me up on the phone,  
So you can have a little one in a moan,  
And its only 'cause you're feeling alone

At first, when I see you cry, yeah it makes me smile, yeah makes me smile  
At worst, I feel bad for awhile, but then I just smile, I go ahead and smile

Whenever you see me,  
You say that you want me back,  
But I tell you it dont mean jack, (dont mean jack)  
No it dont mean jack (it dont mean jack)

I couldnt stop laughing,  
No I just couldnt help myself,  
That you messed up my mental health,  
I was quite unwell
