

Tell Him

Glee Cast

I know something about love

You've gotta want it bad

If that guy's got into your blood

Go out and get him

If you want him to be (Do, do, do, do)

The very part of you

Makes you want to breathe

Here's the thing to do

Tell him that

You're never gonna leave him

Tell him that

You're always gonna love him

Tell him, tell him, tell him,

Tell him right now

I know something about love

You gotta show it and

Make him see the moon up above

Reach out and get him

If you want him to be (Do, do)

Always by your side

If you want him to

Only think of you

Tell him that

You're never gonna leave him

Tell him that

You're always gonna love him

Tell him, tell him, tell him,

Tell him right now

Ever since the world began

It's been that way for man

And women were created

To make love their destiny

Then why should true love be

So complicated, oh, yeah!

Oh! (Ah)

I know something about love (Ah)

You gotta take his hand (Ah)

Show him what the world is made of (Ah)

One kiss will prove it (Do, do)

If you want him to be (Do, do, do, do)

Always by your side (Do, do, do, do)

Take his hand tonight

Swallow your foolish pride

Tell him that

You're never gonna leave him
Tell him that
You're always gonna love him
Tell him, tell him, tell him,
Tell him right now (Oh, you have to tell him now!)

Tell him that
You're never gonna leave him (Oh, yeah!)
Tell him that
You're always gonna love him (Yeah!)
Tell him, tell him, tell him,
Tell him right now (Girl, you gotta tell him right now!)

Tell him that
You're never gonna leave him (Oh, yeah!)
Tell him that
You're always gonna love him (Yeah!)
Tell him, tell him, tell him,
Tell him right now (Just take his hand in yours and tell him!)

Tell him, tell him, tell him,
Tell him right now (Just take his hand in yours and tell him!)

Tell him, tell him, tell him,
Tell him right now (Tell him right now!)
