

This Is The New Year

Glee Cast

Another year you made a promise
Another chance to turn it all around
And do not save this for tomorrow
Embrace the past and you can live for now
And I will give the world to you

Speak louder than the words before you
And give them meaning no one else has found

The role we play is so important

We are the voices of the underground

And I will give the world to you

Say everything you've always wanted

Be not afraid of who you really are

'Cause in the end we have each other
And that's at least one thing worth living for

And I would give the world to you

A million suns that shine upon me
A million eyes you are the brightest blue
Let's tear the walls down that divide us
And build a statue strong enough for two

And pass it back to you

And I will wait for you

'Cause I would give the world
And I would give the world

And I would give the world to you

This is a New Year
