

# Tonight

Glee Cast

Tonight, tonight  
It all began tonight  
I saw you and the world went away

Tonight, tonight  
There's only you tonight  
What you are, what you do, what you say

Today, all day I had the feeling  
A miracle would happen  
I know now I was right

For here you are  
And what was just a world is a star  
Tonight

Tonight, tonight  
The world is full of light  
With suns and moons all over the place

Tonight, tonight  
The world is wild and bright  
Going mad  
Shooting sparks into space

Today the world was just an address  
A place for me to live in  
No better than alright

But here you are  
And what was just a world is a star  
Tonight

Good night, good night  
Sleep well and when you dream  
Dream of me  
Tonight
