

# Total Eclipse of the Heart

Glee Cast

Turn around,  
Every now and then I get a little bit lonely and you're never coming around  
Turn around,  
Every now and then I get a little bit tired of listening to the sound of my tears  
Turn around,  
Every now and then I get a little bit nervous that the best of all the years have gone by  
Every now and then I get a little bit terrified and then I see the look in your eyes

Turn around bright eyes,  
Every now and then I fall apart  
Turn around bright eyes,  
Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

Turn around bright eyes  
Every now and then I fall apart  
Turn around bright eyes  
Every now and then I fall apart

A total eclipse of the heart  
A total eclipse of the heart

Turn around bright eyes
