

# Whatever Happened to Saturday Night?

Glee Cast

Whatever happened to saturday night  
When you dressed up sharp and you felt alright  
It don't seem the same since the cosmic light  
Came into my life and I thought I was divine  
I used to go for a ride with a chick who'd go  
And listen to the music on the radio  
A saxophone was blowing on a rock'n'roll show  
And you climbed in the back and you really had a good time

Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll

My head used to swim from the perfume I smelt  
My hands kind of fumbled with her white  
plastic belt  
I'd taste her baby pink lipstick and that's  
when I'd melt  
And she whispered in my ear tonight she  
really was mine  
Get back in front and put some hair oil on  
Buddy Holly was singing his very last song  
With your arm around your girl you'd try  
to sing along  
You felt pretty good 'cause you'd really had a good time

Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll  
Hot Patootie bless my soul  
I really love that rock'n'roll
