

# Whistle

Glee Cast

Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go

(Look) I'm betting you like people  
And I'm betting you love freak mode  
And I'm betting you like girls that give love to girls  
And stroke your little ego

I bet you I'm guilty your honor  
That's just how we live in my genre  
Bet your lips spin back around corner  
Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go

Whistle baby, whistle baby,  
Whistle baby, whistle baby

It's like everywhere I go  
My whistle ready to blow  
Shawty don't leave a note  
She can get any by the low  
Told me she's not a pro  
It's okay, it's under control  
Show me soprano, 'cause girl you can handle

So amusing, now you can make a whistle with the music  
Hope you ain't got no issue, you can do it  
Give me the perfect pitch, ya never lose it

Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go

Whistle baby, whistle baby,  
Whi-whistle baby, whistle baby  
Whistle baby, whistle baby,  
Whi-whistle baby, whistle baby
