

# You Get What You Give

Glee Cast

One, two

One, two, three

Wake up kids  
We've got the dreamers disease  
Age 14 we got you down on your knees  
So polite, we're busy still saying please

Frienemies

Who when  
You're down ain't your friend

Every night

We smash their Mercedes-Benz

First we run and then

We laugh till we cry

But when the night is falling  
You cannot find the light, (light)  
If you feel your dreams are dying  
Hold tight

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

I'm coming home, baby

You're the top

Give it to me now

Four a.m. we ran a miracle mile  
We're flat broke but hey we do it in style  
The bad rich  
God's flying in for your trial

But when the night is falling (falling)  
You cannot, find a friend (find a friend)  
You feel your tree is breaking  
Just then

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left

This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give

This whole damn world can fall apart  
You'll be OK, follow your heart  
You're in harms way I'm right behind  
Now say you're mine

You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give  
Don't let go  
I feel the music in you

Fly high, high  
What's real can't die

You only get what you give

You gonna get what you give  
Oh, yeah

Health insurance rip off lying  
FDA big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots with Beck and Hanson  
Courtney Love and Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick you down yeah!

Don't let go  
You've got the music in you  
Don't give up

You've got the music in you  
(Ooooohh)  
You've got the music in you
