

A Place In The Sun

Glen Campbell

Like a long lonely stream I keep running for the dream moving on
moving on

Like a branch on a tree I keep reaching to be free moving on moving on

There's a place in the sun where there's hope for everyone

Where my poor restless heart's gotta run

There's a place in the sun and before my life is done gotta find me a place in the sun

Like a dusty old road I get weary from the load moving on moving on

Like this tired troubled earth I've been running since my birth
moving on moving on

There's a place in the sun...
