Today I may not have a thing at all except for just a dream or two

But I've got lots of plans for tomorrow and all my tomorrows be long to you

Right now it may not seem like spring at all we're drifting and the laughs are few

But I've got rainbows planned for tomorrow and all my tomorrows belong to you

No one knows better than I that love keeps passing me by that \boldsymbol{w} ay

But with you there at my side I'll soon be turning the tide jus t away

As long as I've got arms to cling at all it's you I'll be cling ing to

And all the dreams I dream beg or borrow on some bright tomorro \boldsymbol{w} will all come true

And all my tomorrows belong to you

As long as I've got arms to cling at all...
