

All the Way

Glen Campbell

When somebody loves you it's no good
Unless she loves you all the way
Happy to be near you when you need someone
To cheer you all the way

Taller than the tallest tree is
That's how it's got to be
And deeper than the deep blue sea is
Now that's how deep it goes if it's real

When somebody needs you it's no good
Unless she needs you all the way
Through the good or lean years
And through all the end between it, come what may

Who knows where the love will lead us, only a fool would say
But if you let me love you it's for sure
I'm gonna love you all the way, darling, all the way
(Who knows where the love will lead us only a fool would say)

But if you let me love you it's for sure
I'm gonna love you all the way all the way
