

## Any Trouble

Glen Campbell

Don't go  
To any trouble  
You know  
I won't be here long

Hold me like a breath  
You can count on me to 10  
And any trouble you got  
Will be gone

Don't go  
To any bother  
Your mother may  
Never lay

Don't go  
And make a fuss  
And you forget about us  
And any trouble you got will fade away

Don't pin your hopes  
Don't pin your dreams  
On misanthropes  
And guys like me  
Don't pin your hair  
Let it hang down  
Don't go to any trouble on my account

Don't go  
To any trouble  
You know  
I must say, so long

Don't hold me like a trial  
It's only for a little while  
And any trouble you got  
Will be gone  
Any trouble you got will fade  
All the trouble you got will fade away
