

Break My Mind

Glen Campbell

Baby, oh baby, tell the man at the ticket stand
That you've changed your mind
Let me run outside and tell the cab
To keep his meter flyin'

'Cause if you say goodbye to me, babe
You're gonna break my mind
Break my mind, break my mind
No, I just can't stand to hear them

Big jet engines whine
Break my mind, break my mind, oh Lord
If you leave you're gonna leave
A babblin' fool behind

Oh baby, oh baby, let me keep your suitcase
Off of the scales in time
Tell the man that you've suddenly
Developed a thing about flyin'

'Cause if you say goodbye to me, girl
You're gonna break my mind
Break my mind, break my mind
Break my mind, break my mind
Baby, break my mind, break my mind
