

Christmas Day

Glen Campbell

A gift of goodwill wrapped with a ribbon of love, forever and ever
Christmas day will be the day our love will come together
This holiday
Two years ago
Touched by a rose
When two families sing their love will ring, together for the better
Christmas day will be the day our love will come together
This holiday
Two winter years ago
Touched by a rose
As that morning closed the warmth of this winters told,
I'll never ever forget her
Christmas day will be the day our love will come together
This holiday
Two winter years ago
touched by a rose...
