Cold December (In Your Heart)

Glen Campbell

A touch of April in your smile July and Agust in your yellow ha ir

A sweet September in your eyes November notions in the clothes you wear

You're every season's work of art but there's a cold December i n your heart

It seemed to me the day we met that all the flowers had begun to bloom

I thought you'd help me to forget the dusty shadows of my lonel y room

I should have known right from the start about the cold Decembe ${\bf r}$ in your heart

I loved you more and more each day through every season of the year

Your lovin' laughter seemed to say your life was empty when I w asn't near

Old love would lead you to the grave I was a fool to think you loved my too

You always took but you never gave until you've taken all my lo ve for you

I feel a chill I must depart and leave the cold December in you r heart $% \left(1\right) =\left(1\right) +\left(1\right) +\left($
