

# Galveston

Glen Campbell

Galveston oh Galveston  
I still hear your seawinds blowing  
I still see her dark eyes glowing  
She was 21 when I left Galveston

Galveston oh Galveston  
I still hear your seawaves crashing  
While I watch the cannon's flashing  
I clean my gun and dream of Galveston

I still see her standing by the water  
Standing there looking out to sea  
And is she waiting there for me  
On the beach where we used to run

Galveston oh Galveston  
I am so afraid of dying  
Before I dry the tears she's crying  
Before I watch your seabirds flying in the sun  
At Galveston at Galveston
