

## Guide Me

Glen Campbell

Dear Lord  
I love her face  
I lo-ove this day  
Guide me, gui-ide me

Sweet sweet Lord  
Don't let me chase  
This one away  
Guide me, gui-ide me

Fashion  
She's of the latest  
And she could leave me  
With the greatest  
Of aches  
And there'd be no place  
Dark enough to hide me

Gui-ide me  
Gui-ide me  
Guide me  
Please....
