

I Could Never Be Ashamed Of You

Glen Campbell

Everybody says you let me down
I should be ashamed to take you round
Makes no difference what you used to do
Darling I could never be ashamed of you

Maybe you were reckless yesterday
But together we can find a brighter way
In my heart I know that you'll come true
Darling I could never be ashamed of you
(Darling I could never be ashamed of you)

All the happiness I've ever known
Came the day you said you'd be my own
And it matters not what we go through
Darling I could never be ashamed of you

Maybe you were cheated in the past
And perhaps old memories will always last
But in my heart I know that you'll come true
Darling I could never be ashamed of you
